

Bid to Win a...

Presidential Pools Backyard Oasis Package

Presidential Pools, Spas & Patio, Arizona's #1-rated pool builder, and Sanctuary Landscaping are proud to support the Chandler Compadres' Rock the Cause for Kids! This annual event is an evening set aside to bring the community together for a little fun while raising money for hundreds of local children. Presidential Pools and Sanctuary Landscaping are pleased to team up for this annual event by donating one of the premier prizes on the bidding block for the event's live auction. One lucky family will not only be able to rock the hot Arizona summers in style, but will also get the opportunity to help hundreds of East Valley children in the process.

The highest bidder will receive the Presidential Pools package of a 400 square-foot swimming pool including cutting-edge features such as the blue Spectrum 360 LED light and a low profile, vanishing Eclipse drain that disappears into the bottom of the pool. Also included is the choice of a waterfall or water sheer descent. The winning family will also enjoy a beautiful Pebble Radiance interior finish with the standard color of their choice. Of course, no backyard oasis is complete without landscaping. Included in this package will be a \$7,500 credit towards landscaping work by Sanctuary Landscaping.

If you're interested in transforming your backyard into your family's own private resort while supporting kids in the East Valley, attend Rock the Cause for Kids on Saturday, November 11 and rock your neighborhood with a brand new pool from Presidential Pools & Spas.

See the auction booklet or website for details.
